ABOUT D. Y. PATIL PGDM INSTITUTE, AKURDI, PUNE

D. Y. Patil PGDM Institute, Akurdi, Pune, stands at the forefront of academic excellence, offering a progressive Post Graduate Diploma in Management that is designed to develop highly employable and industry-ready professionals. Our rigorous academic framework is structured over four terms, each strategically incorporating core and elective courses, professional certifications, industry-aligned training, and vibrant extracurricular activities to holistically nurture future business leaders.

Academic Courses and Credits

The curriculum spans across essential academic areas, beginning with 08 Core Academic Courses worth 32 credits in the first term, building foundational knowledge and practical skills through Design Thinking and Social Immersion Live Projects (SILP), totalling 37 credits. Subsequent terms offer specialization electives alongside Employability Enhancement Courses taught by industry experts, delivering hands-on, career-relevant knowledge.

Professional Training and Certifications

Each term is enriched with an array of industry-recognized certifications, including Cambridge Level Certificates, Power BI, Advanced Excel, Prompt Engineering with Generative AI, and the prestigious CAPM. These certifications give our students an edge by equipping them with up-to-date technical competencies and preparing them for dynamic roles in the industry.
